

Minutes of The Garsdale PC Extraordinary Meeting after the Public Meeting held on 19th November 2014 at The Village Hall

1. Annette and Bill signed their acceptance forms, Bill took his declaration of interests form to fill in later. Graham Lant had already signed his.

2. Apologies were received from Graham

3. Consideration of the extraordinary meeting

A letter was to be sent to Tilhill with the following concerns

1. Access to the A684 via Dandra Garth was too restricted and a different access should be considered
2. Water supplies had to be protected and Council would require assurances in writing.
3. Lorry drivers were to be asked to be considerate and names could be taken for reporting. There may only be one driver?
4. Consideration should be given to the squirrels. Section 2 should be left as long as possible and out of the breeding season.

Annette would circulate the letter before posting and maybe an article could be produced for Lookaround as a prompt for local residents.

Meeting closed at 9.00pm
