

Minutes of the Extraordinary Meeting held on Tuesday 1st March 2016 in Garsdale Village Hall at 9.30pm

1. Apologies were received from Graham Lant and David Metcalfe. Councillors presents were Annette Colton, Thomas Todd, Bill Mawdsley, David Labbate and the Clerk (Dave Labbate had to leave early but gave his approval and support for the B4RN initiative to the PC before leaving).

2. It was discussed whether BT would be a serious contender to supply superfast broadband but council felt that this was very unlikely and would be unworkable as only high speeds would be obtained within 500m of a cabinet, Council voted unanimously to support the B4RN project. Graham Lant had indicated his support prior to this meeting, Neville Woodfine's opinion was unknown.
